

COMPANY OVERVIEW

CommandTec is a Professional Services company headquartered in Huntsville, Alabama. The Small Business Administration (SBA) certifies CommandTec as an **8(a)**, Economically Disadvantaged Women-Owned Small Business (EDWOSB), Service-Disabled Veteran-Owned Small Business (SDVOSB), and **HUBZone**.

At CommandTec, we pride ourselves on our small business agility and a culture of extreme accountability. Combined, these two qualities provide our clients with solutions that increase efficiencies, minimize cost, and decrease mission risks, as demonstrated in our support of 190+ commercial clients that we guide and support in obtaining ISO, CMMI and CMMC process improvement certifications.

CORE COMPETENCIES

Enterprise Technology

Advancing the modernization of Government capabilities, we accomplish our customers' objectives through digital transformation.

Information Technology Security

Using collective strategies, methods, solutions, and tools, we protect the informational and organizational assets of our customers.

Training

From in-person instruction to interactive training, we develop, plan, and implement training and testing programs; aligning courses with required competencies.

Communications (C5I)

Provide secure/nonsecure conferencing networks for military command and control operations that support mission-critical voice and data communications both CONUS & OCONUS.

Intelligence

Delivering advanced planning, collection, processing & exploitation, analysis & production, and dissemination, we empower and advance our customers' intelligence capabilities.

Process Improvement

Using industry best practices we provide clients with strategies and methods that consistently provide products and services that meet regulatory requirements and improve efficiency.
