

COMMERCIAL CAPABILITY STATEMENT

COMPANY OVERVIEW

Established in 2007, CommandTec Commercial is headquartered in Huntsville, famously known as “Rocket City” for its rich aerospace and defense heritage. CommandTec is a proud Women-Owned Small Business (WOSB), Service-Disabled Veteran-Owned Small Business (SDVOSB), and is strategically located within a federally recognized HUBZone. It is a trusted provider of quality management system certification support and maturity model appraisal services. We help organizations strengthen operational excellence, improve process maturity, and meet regulatory and customer requirements across commercial and government sectors.

At CommandTec, we pride ourselves on our small business agility and a culture of extreme accountability. Combined, these two qualities provide our clients with solutions that increase efficiencies, minimize cost, and decrease mission risks, as demonstrated in our support of 260+ commercial clients that we guide and support in obtaining ISO and CMMI process improvement certifications, standards, and models, enabling clients to achieve compliance, reduce risk, and drive continuous improvement.
